"A very prominent Republican came who know his worth almost as to me today to ask that I use what as the attempt to get Thurston ever influence I might have with Mayor Fern to get him to reappoint Chief Thurston. He thought it would be a shame for the Mayor to inject politics into the fire department," contirued Mr. Trent.

"I asked him if he had not heard that Mr. Thurston bad been using his position to do politics; and that although he had been twice appointed to his position by Layor Fern, he did his level best to beat Fern in the last election. It is said that Thurston not only went out of his way to canvass egainst Fern, but that he made every member of his department wear Parker badges on election day.

"Another thing that is being urged Coast, may be given a change on practice of acquiring property contig. international cup next summer. I property to the payment of the inueus to the fire stations and built cottages to rent to the employees of the department. Some people fear that the chief might be in danger of being cent date says: influenced in his treatment of his men by the fact that they are, or are not, contributing materially to his monthly
